Subject: husband-wife & counselor

A husband and wife go to a counselor after 15 years of marriage. The counselor asks them what the problem is and the wife goes into a tirade listing every problem they have ever had in the 15 years they've been married. She goes on and on and on. Finally, the counselor gets up, walks around the desk, embraces the wife and kisses her passionately.

The woman shuts up and sits quietly in a daze. The counselor turns to the husband and says, "This is what your wife needs at least three times a week. Can you do this?"

The husband thinks for a moment and replies, "Well, I can drop her off here Mondays and Wednesdays, but on Fridays, I fish."

.....
Wife asks husband, "How many women have you slept with?"
Husband proudly replies, "Only you Darling - With all the others I was awake"

Hospital Visiting Hours are 10 am to 4 pm

A couple was celebrating their golden wedding anniversary on the beaches in Montego Bay , Jamaica .

Their domestic tranquility had long been the talk of the town.

People would say, 'What a peaceful & loving couple'

The local newspaper reporter was inquiring as to the secret of their long and happy marriage.

The Husband replied: 'Well, it dates back to our honeymoon in America ,' explained the man.

'We visited the Grand Canyon, in Arizona , and took a trip down to the bottom of the canyon, by horse. We hadn't gone too far when my wife's horse stumbled and she almost fell off.

My wife looked down at the horse and quietly said, 'That's once.

We proceeded a little further and her horse stumbled again. Again my wife quietly said, 'That's twice.'

We hadn't gone a half-mile when the horse stumbled for the third time my wife quietly removed a revolver from her purse and shot the horse dead.

I SHOUTED at her, 'What's wrong with you, Woman! Why did you shoot the poor animal like that, are you *%&#@ \$ crazy!?'

She looked at ME, and quietly said, 'That's once.' And from that moment..... we have lived happily ever after.'
