.....
This is all I have at this time, for more info, attend the meeting and/or check the website regularly for changes & updates. To all of you, have a

Happy & Healthy New Year

You're Newsletter Guy, Roger

There was no meeting in December, so no minutes to report. Photos of our Christmas Party in stead.

I adjusted the member list to show current paid members, if I missed anyone please let me know. If at any time during the year I spell your name wrong, or miss you on the birthday or anniversary list, please let me know. I make all attempts to be accurate, but even someone as perfect as "I", on a very rare occasion, might make a minor error, so please bear with me & please let me know so I can correct it. Thank you

Bobbitt Family Update

In a recent news broadcast, it was announced that Lorena Bobbitt's sister Louella was arrested for an alleged attempt to perform the same act on her husband as her famous sister had done several years ago. Sources reveal the sister was not as accurate as Lorena.**

She allegedly missed the target and stabbed her husband in the upper thigh causing severe muscle and tendon damage. The husband is reported to be in serious, but stable condition and Luella has been charged with*****

You guessed it!!! A MISDEWEINER

A minister decided that a visual demonstration would add emphasis to his Sunday Sermon. Four worms were placed into four separate jars. The first worm was put into a container of alcohol. The second worm was put into a container of cigarette smoke. The third worm was put into a container of chocolate syrup. The fourth worm was put into a container of good clean soil.

At the conclusion of the sermon, the Minister reported the following results:

- The first worm in alcohol - Dead.
- The second worm in cigarette smoke - Dead
- Third worm in chocolate syrup - Dead
- Fourth worm in good clean soil - Alive.

So the Minister asked the congregation - What can you learn from this demonstration? Maxine was sitting in the back, quickly raised her hand and said,

“As long as you drink, smoke and eat chocolate, you won't have worms”
That pretty much ended the service...

HOW TO CALL THE POLICE WHEN YOU'RE OLD AND DON'T MOVE FAST ANYMORE.

George Phillips of Meridian, Mississippi was going up to bed when his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window.

George opened the back door to go turn off the light but saw that there were people in the shed stealing things.

He phoned the police, who asked "Is someone in your house?" and he said "no". Then they said that all patrols were busy, and that he should simply lock his door and an officer would be along when available.

George said, "Okay," hung up, counted to 30, and phoned the police again.

"Hello, I just called you a few seconds ago because there were people in my shed. Well, you don't have to worry about them now cause I've just shot them all." Then he hung up.

Within five minutes three police cars, an Armed Response unit, and an ambulance showed up at the Phillips residence and caught the burglars red-handed.

One of the Policemen said to George: "I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!" (True Story)
