A new teacher was trying to make use of her psychology courses. She started her class by saying, "Everyone who thinks they're stupid, stand up!" After a few seconds, Little Johnny stood up. The teacher said, "Do you think you're stupid, Little Johnny?" "No, ma'am, but I hate to see you standing there all by yourself!"

Little Johnny watched, fascinated, as his mother smoothed cold cream on her face. "Why do you do that, mommy?" he asked. "To make myself beautiful," said his mother, who then began removing the cream with a tissue. "What's the matter?" asked Little Johnny. "Giving up?"

.....
An attorney arrived home late, after a very tough day trying to get a stay of execution for a client who was due to be hanged for murder at midnight. His last minute plea for clemency to the governor had failed and he was feeling worn out and depressed.

As soon as he walked through the door at home, his wife started on him 'What time of night to be getting home is this? Where have you been?'

'Dinner is cold and I'm not reheating it. . . . and on and on and on.

Too shattered to play his usual role in this familiar ritual, he went and poured himself a shot of whiskey and headed off for a long hot soak in the bathtub, pursued by the predictable sarcastic remarks as he drug himself up the stairs..

While he was in the bath, the phone rang. The wife answered and was told that her husband's client, James Wright, had been granted a stay of execution after all. Wright would not be hanged tonight.

Finally realizing what a terrible day he must have had, she decided to go upstairs and give him the good news. As she opened the bathroom door, she was greeted by the sight of her husband, bent over naked, drying his legs and feet.

'They're not hanging Wright tonight,' she said.

To which he whirled around and screamed,

'FOR THE LOVE OF GOD WOMAN, DON'T YOU EVER STOP?!'

Little Johnny attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Johnny asked, "Dad, why are you doing that?" His father replied, "Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy." Johnny, looking worried, said, "Dad, I think the UPS guy wants to buy Mom."

A Blonde goes over to her friend's house wearing a T.G.I.F. Tee-shirt. "Why are you wearing a Thank God its Friday tee-shirt on Monday?"

"Oh crap!" the blonde says. "I didn't realize it was a religious T-shirt. I thought it meant Tits Go In Front."
